WORK EXPERIENCE

Software Development Intern

Khuban Software Development | [Faridbad,Haryana] | [Jan 2025 – June 2025]

- Developed responsive UI components and integrated APIs for a **ReactJS-based website**, ensuring clean design and smooth functionality.
- Contributed to a **React Native crypto wallet app**, implementing features like **wallet creation, transaction history, QR code scanning**, and **seed phrase management**.
- Worked with **JavaScript** and **SQL**, integrated **biometric login**, and supported **light/dark mode** with focus on performance and user experience.

PROJECTS:

1. **JourneyScopes** - Mobile Journey Planning & Analytics Application Apr2025 – Jun2025
[React Native, TypeScript | Mobile Development] || [LINK](#)
Developed a cross-platform mobile application using React Native and TypeScript that features biometric authentication, interactive data visualizations, and offline data persistence. Implemented modern UI components with custom animations, gradient-based designs, and gesture handling using libraries like react-native-animated and react-native-chart-kit. Architected the application with a clean, modular structure utilizing React Navigation for seamless user experience, while maintaining code quality through TypeScript, ESLint, and comprehensive Jest testing.
2. **StudyNotion – An EdTech Platform** Sept202 - Dec2024
[ReactJs , NodeJs, ExpressJs , MongoDB] || [LINK](#)
Developed a full-stack MERN project featuring admin, instructor, and student modules. Instructors can create and launch courses, while students can purchase, learn, and review them. The platform enhances the online learning experience with a user-friendly interface and efficient course management.

CERTIFICATIONS & ACHIEVEMENTS

Data Structures and Algorithms(in C++) {CodeHelp}, **MERN Stack** {CodeHelp}, **Javascript** {UDEMY}, **SQL** {UDEMY}, **NodeJS** {SimpliLearn}, **Soft Skills**{CrackEd , NPTEL }.

- Represented College in tech fests . || Volunteered in College Fests.

EDUCATION :

1. **Bachelors of Technology in Computer Science and Engineering (7.9 CGPA)** 2021-2025
[Satyug Darshan Institute of Engineering and Technology , Faridabad , Haryana]
2. **Senior Secondary Education (USCD DAV PUBLIC SCHOOL)** 2018-2020
